There are many ways to get funding. Funds can come in the form of money given to you, inheritance, marriage and borrowings. Money is available to you from winning the lottery. Some people get money by stealing through creative funding. Bazi can tell how and when these funds may become easily available to you based on your luck cycle influence.

Let's discuss the conventional ways of obtaining funding, that is through borrowing and money given to you. All funding must be obvious so that it is easily obtainable. Therefore, the Bazi analysis is based on the Heavenly Stem element interaction.

Borrowing usually refers to the wealth element of your surrounding elements. Hence, look at the wealth element of the Heavenly Stem on your Year, Month and Hour Pillars.

Money given to you takes place when there is a combination that forms wealth in your Bazi. Usually the combination happens on the Heavenly Stem of the Year and Month Pillars with the Luck Pillars of a Bazi chart.

Startups take a lot of hard work and planning to take off, so before you do anything, check out this infographic from Funders and Founders.

Wouldn't it be nice if someone just gave you money? As a gift, with no need for repayment. Unfortunately, few people are likely to give you money for free. The first people who come to mind are your parents. They love you and don't mind giving you a helping hand financially. Other people who may give you money are usually also family – your spouse, or siblings who have money to spare (and understanding spouses).

If you're not likely to get money from your parents, spouse or siblings, don't despair. There are other people willing to give you money. You may still be able to get government grants or scholarships.

Will you be one of the lucky people who will get money for free? Check your Bazi Chart and luck pillars to see if you'll have any free money coming your way.

Gifts of money from family

Money given to you by your parents or close family members such as your spouse, brother or sister without asking for repayment is shown by the Bazi configuration in the next page:

For someone to give you money, the element on the Month Pillar's Heavenly Stem must

combine with the Heavenly Stem of the Luck Pillar to form your wealth element in your Bazi chart. For example, Xin combines with Bing to form Water and Water is the wealth element of the Wu Day Master. This indicates that you will receive money during that Luck Pillar where the combination takes place.

Sometimes it is not money but assets or other valuables given to you. Observe whether the combination between the Heavenly Stem of the Month Pillar and Luck Cycle forms the Resource element. If yes, then you are likely to receive assets or other valuables such as property, equities, coins collection or jewelry from your parents. You may even receive pets from your parents especially if it is an Indirect Resource element. You see the Resource element can be a bit ambiguous. The Resource element is seen as a Nobleman element. Hence, whatever is given to you, the values are judged based on the giver – the nobleman. You may not necessarily feel the same way.

Lender Characteristics

The Layperson

- Harmless
- Allows you to retain 100% ownership of your business
- The slowest to come up with funds

If you have the Bazi configuration below, you will be able to obtain grants through government schemes or scholarships. Again no repayment is required.

To be able to get grants, the element on the Year Pillar's Heavenly Stem must combine with the Heavenly Stem on your Luck Pillar. Again it must form your wealth element. For example, Wu combines with Gui to form Fire and Fire is the wealth element of the Ren Day Master. This indicates you will receive money during this luck cycle from an external source which can be a government grant or scholarship.

BORROWINGS

When it comes to borrowing most people will automatically think of borrowing from the bank, family members or friends. Borrowing has a wider scope which includes crowd sourcing, funds from angel investors, government grants as well as raising money by going for public listing.

Most start-ups will source their initial funds from banks, family, crowd sourcing, angel investors and government grants.

Lenders can be divided into three groups, namely:

1. The Layperson

The layperson usually refers to your family, relatives, friends and the bank. Your family and friends or the bank will usually require you to pay back the sum they lend you with interest.

Nowadays, crowdfunding falls into this group too. Crowdfunding is sourcing funds for a project or new venture through a large number of people via the internet. Sometimes you do not have to repay the sum because the amount is usually small. Most of the time, the funders are compensated with the products or services of your business. Popular crowdsourcing sites include Kickstarter and Indiegogo.

2. **The Pro:** The Pro refers to angel investors. These are people who provide you funds by taking a large chunk of the equity in your company in the hope of capital gain when your company becomes profitable. The time frame of their investment is usually from 3 years to 5 years.
3. **The Opportunist:** The Opportunist is solely in for the profit in the shortest possible term. This can be seen with IPO investors who immediately sell-off the shares that have been allotted to them once they make a gain. Sometimes the Opportunist will act like a Pro if they see more potential in the business. The time frame of their investment is usually from 1 year to 2 years.

What type of borrowings are likely available to you?

SUSTAINING SALES IN YOUR RETAIL AND BOUTIQUE BUSINESS IN 2015 THE FENG SHUI WAY

Everyone is a bit apprehensive of the coming Goods and Services Tax (“GST”) in Malaysia. If you do not know, GST is new to Malaysians. Many are still not clear about its operating mechanism. For example, how it applies to goods in a supply chain and how it eventually affects the consumer.

With the slowing of the economy, small businesses, especially those who are in retail are already feeling the pinch of the current sluggish environment. If you have been following BaziChic Digital Magazine regularly, you would have known that the Water element has not been doing so well for the past two years and this will last at least until the end of the Wood Goat year.

All retail businesses such as departmental

stores, supermarkets, pharmacies, fashion boutiques and jewelry stores have some part of the Water element. This is because products on the shelf need to sell off quickly to be profitable and to be replaced with new, fresh products – be it the latest fashion trend, or fresh food products.

While the major Feng Shui of retail outlets depend on the mother company, or head office environment, you can still do something at the individual outlet level. If you just own one or two retail outlets or boutiques, the tips below can be very useful to you too.

The classical text of Feng Shui did not specifically talk about how you can attract customers into your shop. Neither did the old text talk in detail on how to attract your customers based on demographics and psycho-

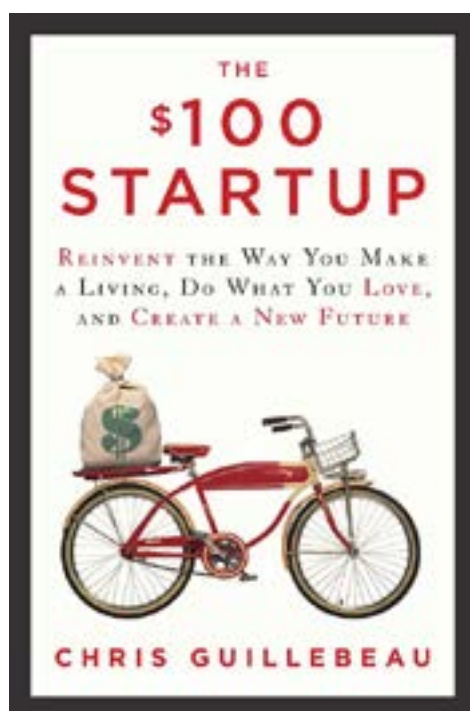

graphics.

The application of Feng Shui is all about Qi flow, how the Qi influences the space and tapping into this Qi to bring good influence. By understanding this application, you can use it to bring good influence into your business. One of it is attracting customers. While it is difficult for the beginner to gauge where the Qi flow is coming from and where it is flowing, you can actually stimulate the Qi at the immediate vicinity to activate the good influence.

In Feng Shui study, there are three simple types of influences:

1. **Nobleman:** Activate the Nobleman sector of the retail outlet of a boutique to bring in new customers. It attracts customers who love your products. Most likely you do not know them.
2. **Peach Blossom:** Activate the Peach Blossom sector to boost sales. Customers buy your products and services because they like the sales person or the boss of that outlet. It helps to sustain sales through recurring purchases from existing customers too.
3. **Sky Horse:** Activate the Sky Horse sector of the retail outlet to help you tap into foreign customers such as tourists. If your retail outlet or boutique is located in a touristy area, then you may want to activate the Sky Horse sector.

Refer to the 'Nobleman' article at page 19, Peach Blossom article at page 22 and Sky Horse article at page 25 to find out how you can activate this sector of your retail outlet.

FENG SHUI ADVENTURE IN KUALA SELANGOR

I have been to Kuala Selangor for seafood many times. However, this trip to Kuala Selangor for their famous cheap and tasty seafood during the Chinese New Year is particularly memorable. It inspired me with an idea for an article for the magazine. Because it turned out that my makan-makan (Bahasa Malaysia for eating) trip had also turned into a Feng Shui adventure.

The Jeti Seafood Restaurant (JSV) and River View Seafood Restaurant (RVS) are located side by side in the tiny fishing village of Pasir Penambang, Kuala Selangor. I have always preferred the former because it is less crowded. I dislike jam-packed restaurants that feel like they take forever to serve food. River View Restaurant, with a large crab at its entrance, has a bigger crowd compared to Jeti Restaurant. However, both restau-

rants are doing well, especially during the Chinese New Year when there is a non-stop stream of people coming in for their yummy seafood.

I have never thought to look at these two restaurants from a Feng Shui perspective to understand why they are doing such roaring business. I have just assumed that since Pasir Penambang is a famous fishing village in Kuala Selangor, people naturally come here for their seafood.

However, it was during this Chinese New Year that I noticed that all the other restaurants along the same street were closed. A smaller restaurant on the opposite side of the road, just a few feet away, is much quieter with smaller crowds.

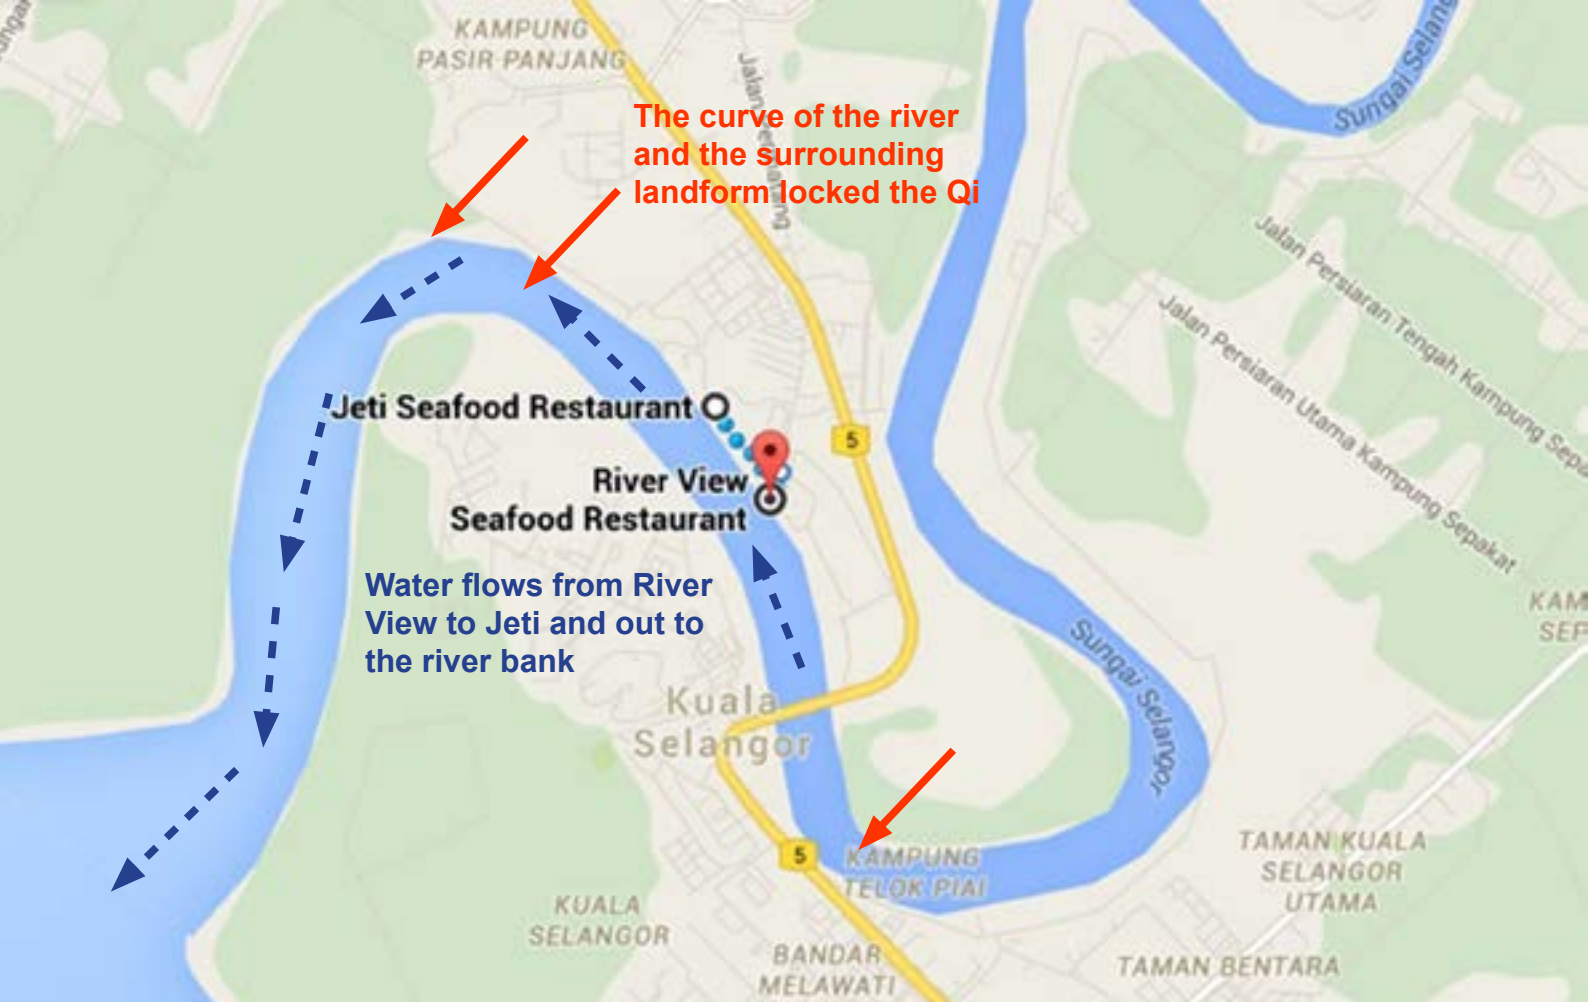

↪ The road curves to the right just after the Jeti Seafood Restaurant.

Our table on the inner side of the restaurant gave me a good view of the surrounding area. The river runs right beside these two restaurants, flowing slowly from the direction of RVS towards JSV. I always sit near the river to enjoy the view. While the wa-

ter is milky brown, the afternoon sun shining down on the river casts a shimmering light on the surface of the river, painting a pretty picture. It is like thousands of twinkling little stars swimming and playing in the river. You can clearly see that the river flowing by these two restaurants is locked. In Feng Shui terms, it is called locking of the "Water Mouth" or "Qi Mouth". What does the locking of the Qi Mouth look like? When you cannot see the water of the river flowing away, it is called locked. This is very important because water is the boundary of Qi. When it is locked as seen here, you know that these two restaurants will receive all the Qi collected in the vicinity. Thus, their businesses flourish.

After lunch, I took out my little compass and took a walk around the area. The road in front of these two restaurants is a mirror image of the river. It curves toward the right

Google View: The River beside River View and Jeti Restaurant

just after JSV, thus you cannot see the end of the road. This is called locking of the Qi Mouth. The sundry store selling dry seafood and biscuits just right at the end of the curving of the road is also doing very well. The store belongs to the owner of RVS. Both JSV and RVS are facing in the direction of Northeast which is good for period 8. Gen Gua which is associated with Flying Star 2 is good for earning business income.

Viewing the Feng Shui of an area may seem much easier than studying all the Feng Shui theories and application. At the end of the day, you may not need all the theories to understand the Feng Shui of an area. However, to be able to see and measure the quality of the Feng Shui a location, a lot of effort has to be put into studying and understanding this Chinese Metaphysics discipline. It is a lifelong endeavour. However, when you begin to understand the subject well, it becomes easier and easier to look at the world around you from a Feng Shui perspective.

THE WAY OF WIND AND WATER

NOBLEMAN

Noblemen are an integral part of our lives. No man is an island, at least not for long. Noblemen, in the study of Feng Shui, refers to the people who can assist and help us.

The Nobleman is usually discussed in the context of a mentor and mentee, or coach and coachee relationship. However, in the Chinese context the concept “Nobleman” covers more than that. A Nobleman can be a person who scolded you. They can be friends who lend a hand during hard times. It can be even be the public transport that sends you to where you wish to go. The Nobleman can even be someone who helps you hang a picture on the wall of your home.

In business, Noblemen can appear in the form of business partners, staff, dealers who get the supply you want, customers or even business rivals.

At the end of the day, by meeting this noble person you have gained something, learned something useful or achieved your goal.

Some Noblemen require you to pay in kind for their help. While others are just happy to offer you help. Certain people have the Nobleman Star in their Bazi chart, thus, they easily meet people who make them a better person. For those who do not have the Nobleman Star in their Bazi chart, you can activate the Nobleman sector of your home to boost your Nobleman luck.

Finding the Nobleman Sector of your Home

Here are three simple steps to find your Nobleman Sector. This can be applied to your home, office, shop lot or retail outlet.

Step 1: Find out where your door is facing.

Step 2: The opposite direction to where your door facing is the call the 'Sitting' direction. For example if you door is facing East, then the 'Sitting' direction is West.

Step 3: Base on the 'Sitting' direction refer to the Table below to find the Nobleman Sector.

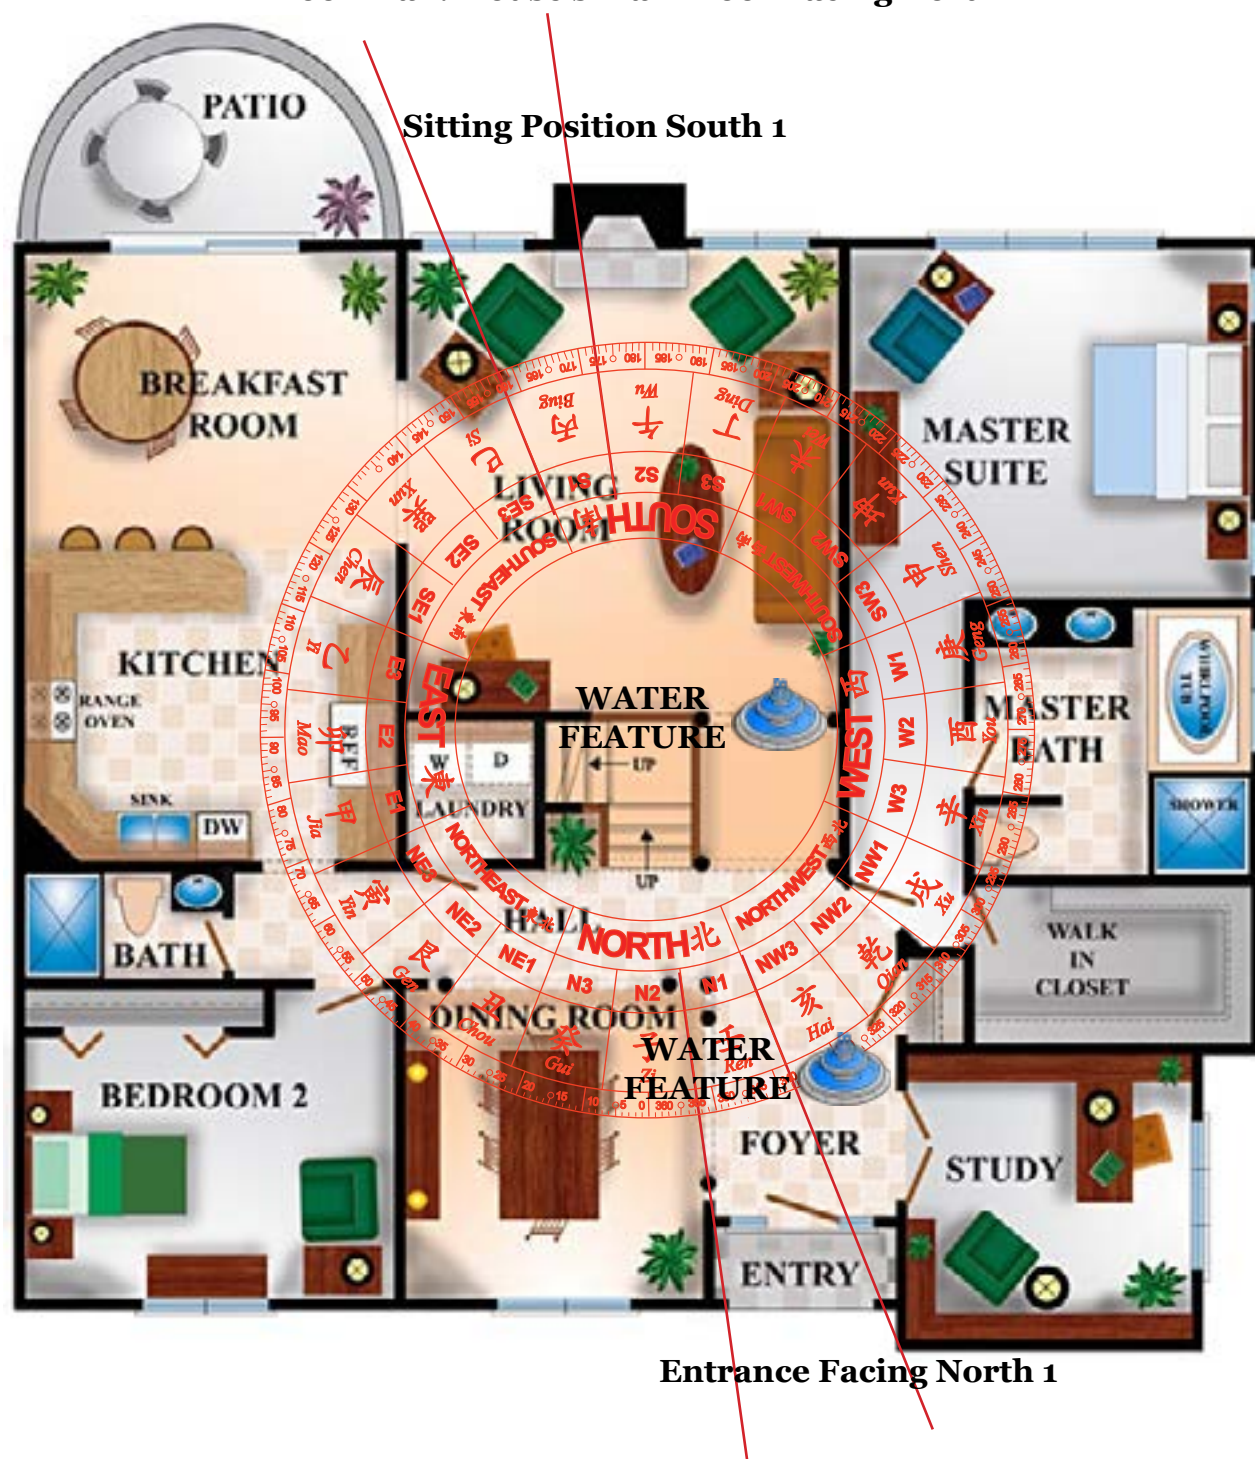

Table: 贵人位置 Nobleman Sector

门坐方向 Sitting Position		贵人位置 Nobleman Sector	
甲 Jia East 1	庚 Geng West 1	丑 Chou Northeast 1	未 Wei Southwest 1
乙 Yi East 3	卯 Mao East 2	子 Zi North 2	申 Shen Southwest 3
丙 Bing South 1	丁 Ding South 3	亥 Hai Northwest 3	酉 You West 2
壬 Ren North 1	癸 Gui North 3	卯 Mao East 2	巳 Si Southeast 3
辛 Xin West 3		午 Wu South 2	寅 Yin Northeast 3
丑 Chou Northeast 1	未 Wei Southwest 1	甲 Jia East 1	庚 Geng West 1
子 Zi North 2	申 Shen Southwest 3	乙 Yi East 3	卯 Mao East 2
亥 Hai Northwest 3	酉 You West 2	丙 Bing South 1	丁 Ding South 3
卯 Mao East 2	巳 Si Southeast 3	壬 Ren North 1	癸 Gui North 3
午 Wu South 2	寅 Yin Northeast 3	辛 Xin West 3	

For example, the floor plan below shows the main door of the house facing North 1. The opposite direction of North 1 which is South 1 is the sitting position. Refer to the Table: Nobleman Sector, South 1 sitting position Nobleman Sectors are represented by Northwest 3 and West 2. Therefore, on a selected auspicious date and time, you can place a water body at the Northwest 3 or West 2 sectors in this house to activate the Nobleman influences.

For business premises with a South 1 sitting position, on a selected auspicious date and time you can place a signboard of your company outside of your premises at the direction of Northwest 3 or West 2 near the vicinity of your office to direct Nobleman influence to you.

Floor Plan: House's Main Door Facing North 1

PEACHBLOSSOM

Studies have shown that beautiful people are happier for many reasons. They enjoy better treatment and are likely to benefit from a higher salary increment as compared to someone less attractive. Good looking people are presumed to be in good health have good genes and are intelligent and successful. This attractiveness is based solely on looks, the outward and physical appearance, which can be superficial or shallow.

Due to these findings, as well as a culture that stresses the importance of beauty, the beauty business has boomed.

What if I tell you that you can increase your attractiveness without having to fuss about your looks? You just have to be the normal you. You see, in Feng Shui studies, the activation of certain sectors can boost your attractiveness without you having to take the drastic action of going under the knife. This influence is called Peach Blossom luck. In

the olden days, Peach Blossom luck was activated to help people find their life partners and to get married. These days, the Peach Blossom luck activation is hyped up as the key to finding your soul mate and enhancing your romantic life.

However, good Peach Blossom influence is not just about attracting a man or woman into your life. It can do more. In your daily life you need to deal with all kinds of people. Good Peach Blossom influence will help in your daily interactions with other people. You will meet friendlier people. People will be more forgiving about your mistakes because they like you. It helps you to connect to people. Imagine a sales person who has to approach so many strangers daily just to get sales. In this situation, a little Peach Blossom luck will go a long way. He or she would be able to connect faster with strangers and people will like him or her on first sight. When people like you they are more willing to buy from you.

In business, Peach Blossom influence can be used for marketing purposes and in establishing a brand name. Peach Blossom influence also helps you attract recurring sales from your existing customers.

Finding the Peach Blossom Sector of your Home

Here are two simple steps to find the Peach Blossom Sector of your home. This step can be applied for your home, office, shop lot or retail outlet.

Step 1: Find out the direction that your door is facing.

Step 2: Based on the direction that your door is facing, refer to the Table below to find the Peach Blossom Sector.

Table: 桃花位置 Peach Blossom Sector

門門方向 Door Facing Direction						桃花位置 Peach Blossom Sector
亥 Hai Northwest 3	乾 Qián Northwest 2	卯 Mao East 2	甲 Jia East 1	未 Wei Southwest 1	丁 Ding South 3	子 Zi North 2

UNDERSTANDING THE FIVE ELEMENTS

The Five Elements are also known as the Five Phases or Five Movements in Chinese Metaphysics. The concept of the Five Elements was used widely in the olden days in the fields of geomancy or Feng Shui, astrology, traditional Chinese medicine, music, military strategy and martial arts. The Five Elements refer to the elements of wood, fire, earth, metal and water. It gives another layer of information to your Bazi chart besides the relationship of Stems and Branches.

The Five Elements theory talks about the connection and interaction of all natural phenomena. Each of these Five Elements can support, destroy or control, and exhaust one another.

In the **Supporting Cycle**, Metal generates Water; Water nourishes Wood; Wood feeds Fire; Fire creates ashes/Earth and Earth bears Metal.

In the **Controlling Cycle**, Fire melts Metal; Metal chops Wood; Wood breaks-up Earth; Earth absorbs and barricades Water; Water quenches Fire.

In the **Exhausting Cycle**, Fire burns Wood; Wood absorbs Water, Water corrodes Metal, Metal is dug out from the Earth, Fire burns to ashes/Earth.

Everything in life can be represented by one of these five elements. It reflects a natural law, the Universal order underlying all things in our world. Each of these elements is related, sometimes in an invisible connection to each other. For example, the Water element is related to winter, a cold climate, the north, the color black, the kidneys, the emotion fear. Refer to the Table 1 and Table 2 of Five Elements to find out what each of these elements represent.

Table 1: Five Elements Characteristic

Element	Characteristic
Wood	Benevolence. Wood governs your fate, your nobility. It represents all that is luxurious, brilliant, blooming and flourishing.
Fire	Propriety Fire governs strength, whether you are strong or weak. It represents power, influence, bravery and intensity.

Metal	Righteousness Metal governs life span, your longevity. It foretells of penalties, dangers, difficulties and dead ends.
Water	Wisdom Water governs talent, whether you are a sage or fool. It represents aptitude, brightness, agility of mind and accuracy.

Table 2: Five Elements Attributes

FACE READING

THE SHAPE OF THE FACE

Olivia Wilde

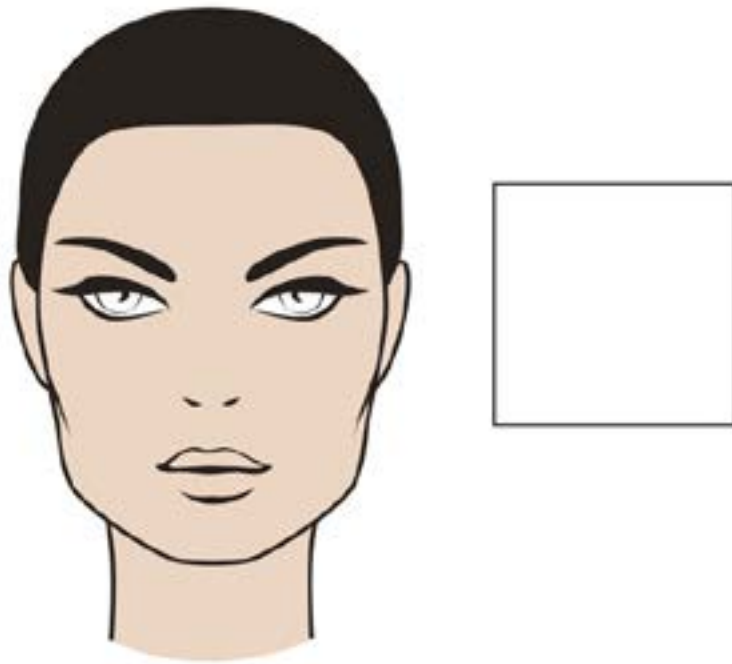

Andy Lau

THE EARTH ELEMENT FACE

In this issue, we will discuss the Earth element face.

Shape: An Earth element face is angular and usually assumes the form of a square.

Positive Features: A meaty and fleshy Earth-shaped face is preferred, but take care that it is not too flabby. The face should be held on a sturdy and well-built body. This is because the Earth element represents a majestic mountain. Hence, a person with an Earth-shaped face who looks solid, robust and strong is considered to be going through good fortune. The person should also preferably have meaty and squarish palms.

Many property tycoons fall into the category of Earth-shaped face. Earth-shaped face people are slow to react, but once they get started there is no stopping them.

Negative: We do not want to see an Earth element face on a tall skinny body which reflects the traits of Wood rather Earth element. In the Five Elements cycle, Wood controls the Earth. As such it can be tough for an Earth-shaped face sitting on a Wood-shaped body. It indicates that life is constantly a struggle.

Earth element represents reliability and trustworthiness. A crooked nose is a “no-no”. A crooked nose hints at a sly nature. With this kind of nose, it destroys the natural value of the people with Earth-element faces.

Character: People with Earth element faces are practical, diligent and steady. They have a conservative nature and exude a responsible and dependable persona.

Career: People with Earth-shaped faces are naturally suited to work in real-estate and property development. Besides this, they are also suited to work that requires trust – for example where product and services are not tangible at the point of sale, such as insurance, unit-trust and metaphysics consultation. Earth-shaped people are good at medical professions which involve healing others.

Angelina Jolie

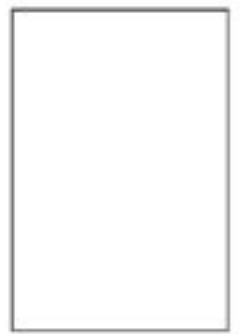

Different Variations of the Earth-Shaped Face:

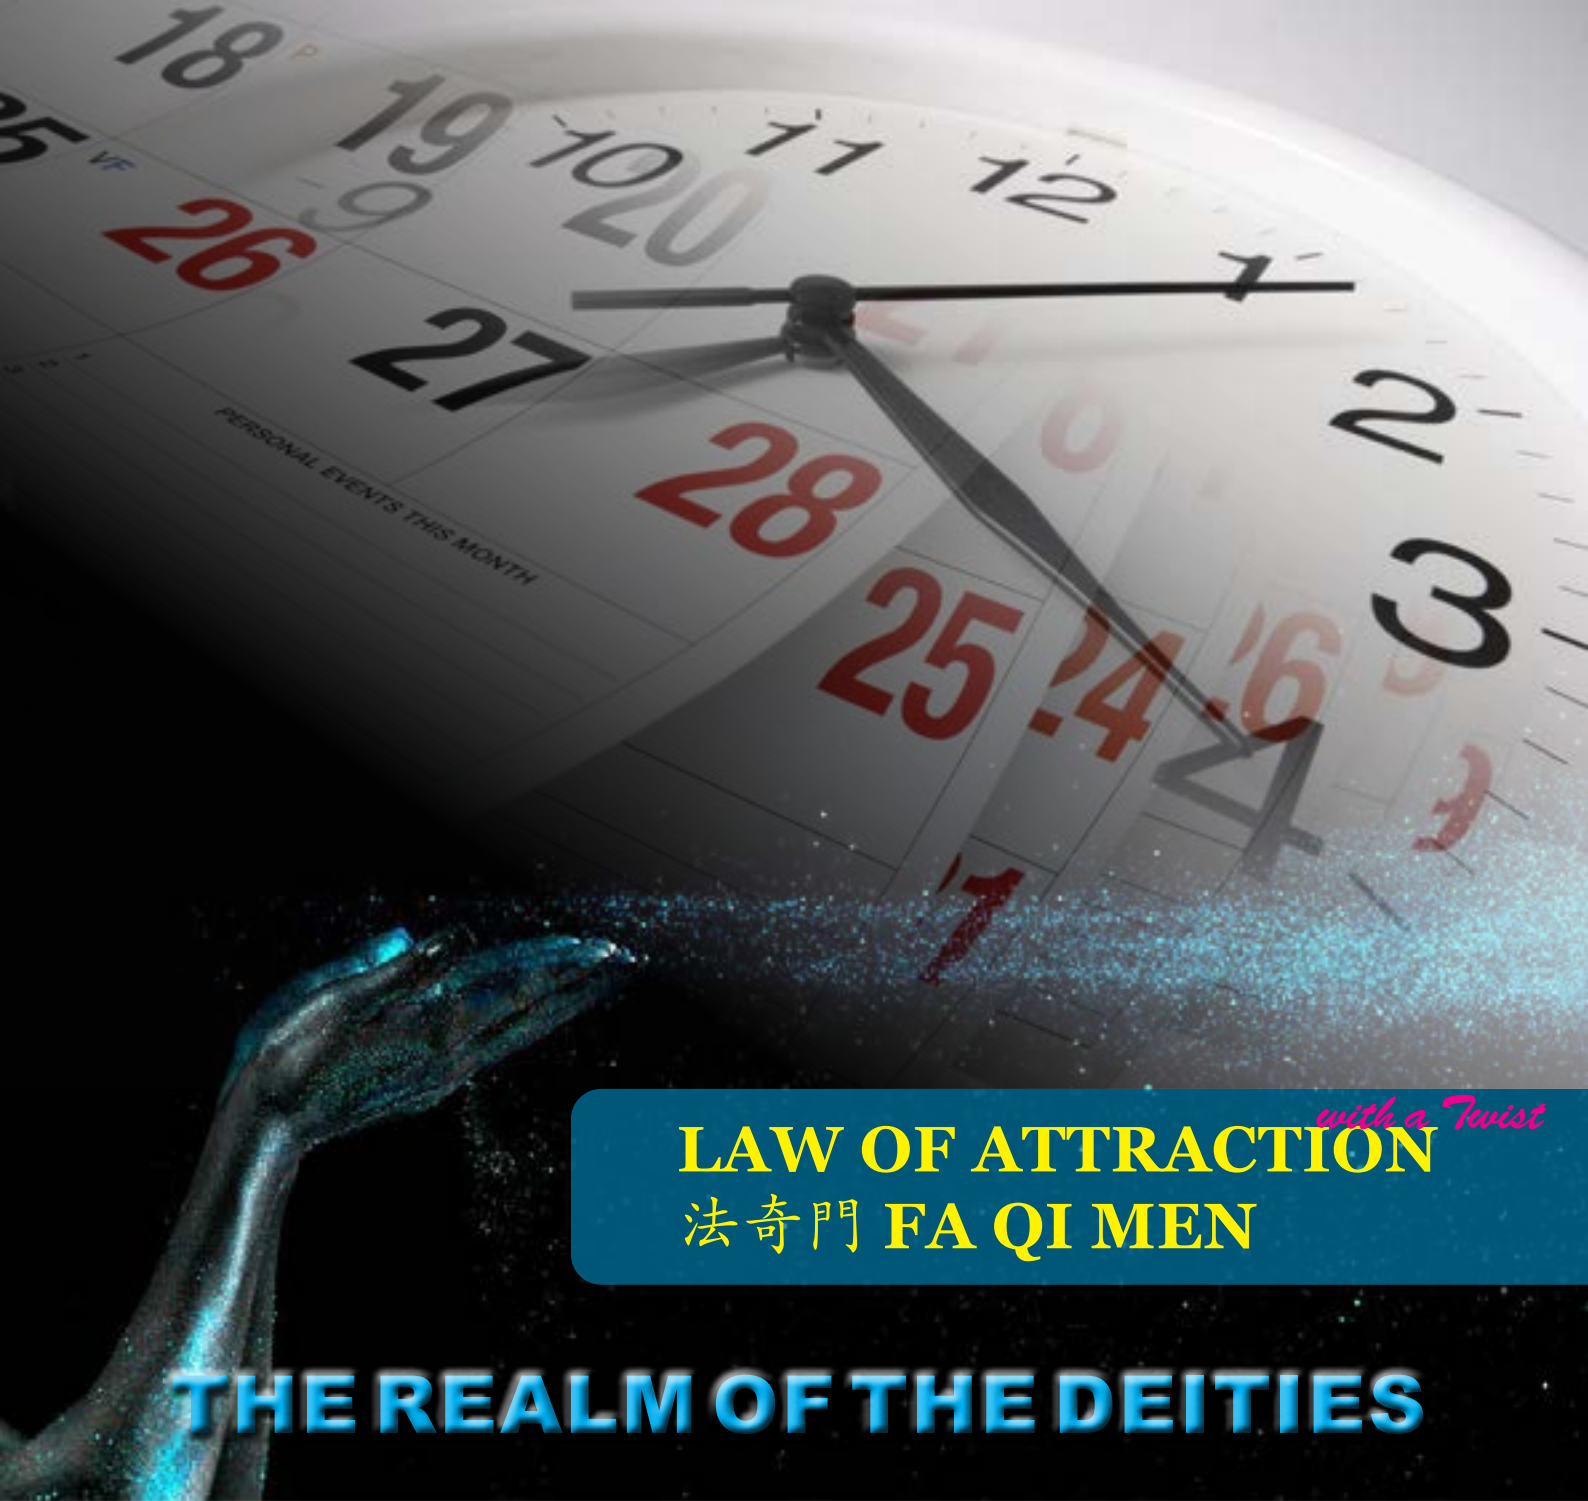

Rectangular Face

The Rectangular face is a combination of Earth and Wood elements. It is characterized by a squarish forehead and jawline.

This face is longer than its Earth-shaped brother and sister.

People with this type of face tend to be disbelieving by nature. They are self-confident but find it hard to trust others. This makes it difficult for them to socialise and make friends.

法奇門 FA QI MEN

THE REALM OF THE DEITIES

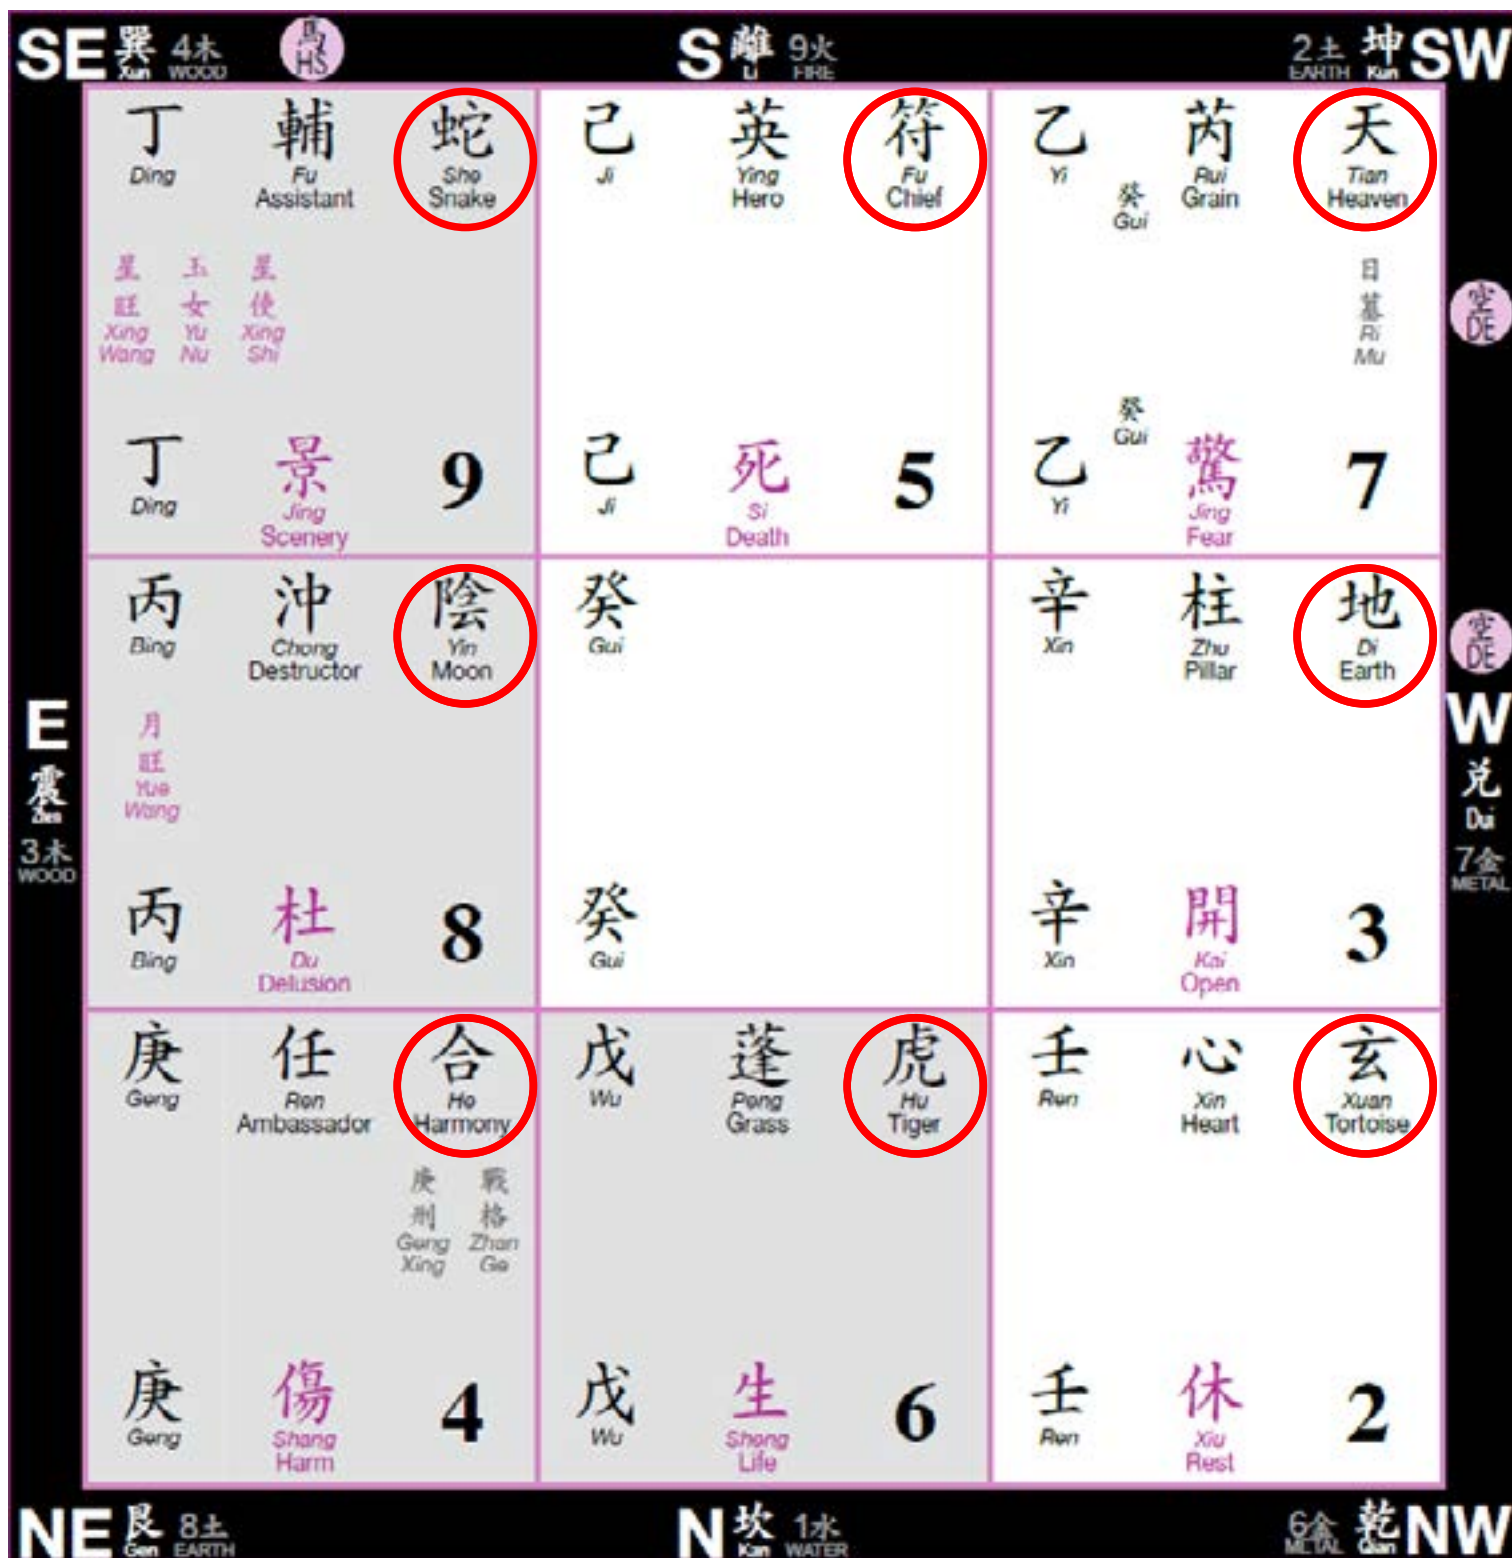

To be able to use Fa Qi Men effectively we have to understand the Four Realms of Fa Qi Men, namely the Ten Deities, Nine Stars, Eight Doors and Ten Stems.

In this issue we will discuss the Realm of the Deities in more detail. There are all together Ten Deities in the theory of Qi Men Dun Jia (QMDJ).

Deity here does not refer to gods or goddesses in the Chinese religion. The term Deity is used here to refer to a cosmic energy or energy in the universe at a certain time in a certain direction. These Deities or cosmic energies bring different influences, and we can tap into these energies by connecting our thoughts with these energies.

The Realm of the Deities is mapped into the QMDJ Chart in the next page.

QMDJ Month Chart: March 2015

The Universe is made up of time, space and events. Time, space and events exist when your mind exists. Thus, the universe exists only when your mind exists.

In the Qi Men Dun Jia study, a person's thoughts that reflects the energy in the Universe are classified into ten types, thus, the Ten Deities.

The Ten Deities in a nutshell:

Table: Attributes of the Ten Deities

Deities	Attributes
直符 Chief	The Chief is able to heal, protect and fulfill most of your wishes.
太陰 Great Moon	The Great Moon governs knowledge, information and wisdom.
六合 Six Harmony	Six Harmony connects people.
九地 Nine Earth	Nine Earth gives abundance.

The month of the Rabbit brings mixed influences. The presence of auspicious stars, especially that of the Lu Xun and Golden Lock Stars brings the influence of wealth opportunities. These wealth opportunities will present themselves to those in start-up businesses working with a team or in a partnership. People with creative ideas and those who dare to take risks will likely be able to grab these opportunities.

The presence of two Relief Stars will dissolve any problems you may face.

So what are the problems you are going to encounter this month? The presence of many inauspicious stars indicates possible cuts, wounds and injuries. These injuries can be caused by fights, cars, sharp metal objects, accidents involving machinery or even robberies. Gossip will also be rampant.

If the month's Qi is unfavourable to you, especially those who have Rooster and Dragon at the Hour and Year Pillar, avoid getting yourself into arguments. Even minor misunderstandings can quickly turn into an ugly brawl. Do not involve yourself in gossip. You should keep to yourself and do your own thing.

This month's energy favours those who have the following zodiacs: Rabbit, Tiger, Pig, Goat and Dog.

Wood Day Masters (甲 Jia Yang Wood and 乙 Yi Yin Wood) will be prone to legal problems. Be a law abiding citizen. In the work environment, follow your company rules and regulations. Avoid gossip.

Fire Day Masters (丙 Bing Yang Fire and 丁 Ding Yin Fire), your naivety can lead to you being betrayed or indirectly betraying others. All these arise from giving in to temptation. Reflect on your mistake and learn to be a better person.

Single Earth Day Masters (戊 Wu Yang Earth and 己 Ji Yin Earth), you have very strong Officer luck. However, your sudden outspokenness can frighten people away. Be eloquent in your speech and gentle in your gestures.

Metal Day Masters (庚 Geng Yang Metal and 辛 Xin Yin Metal), team work will bring you lots of wealth opportunities. Refrain from being egoistic, and start working with people.

Water Day Masters (壬 Ren Yang Water and 癸 Gui Yin Water), you have a valuable idea. Share it and brainstorm with people to see if you can turn this idea into a valuable business.

Tiger

Single Tigers may have a romantic encounter at work, especially if you are a Metal or Fire Day Master. While you may enjoy the lovely company, do not let the relationship affect your professionalism at work. The Rabbit month is filled with gossip which can damage your reputation. In general, everything at work will go smoothly.

Rabbit

People with the Rabbit sign in their Bazi chart, especially on the month branch will meet with many wealth opportunities. Advice is given freely by noblemen with experience in your area of business or work. All you have to do is to put in effort in whatever you choose to do. Your contribution will be recognized.

Dragon

Be aware of gossip and rumours flying around. This information can be used to your advantage. Be discerning with the information. And strike when the iron is hot.

Snake

You can be a scatter brain this month with so many things calling for your attention. Some delegation of work is needed on your part. Plan earlier and stay focused on what's important.

Horse

This is a stable month for you where everything can work out smoothly with good planning. On the other hand, do not get involved in dangerous sports or activities. You are prone to injuries.

Goat

This is a very productive month for Goat people. You will see that everything will get done when you set your mind to it. In general, you will experience good wealth luck too. Save this money up for rainy days.

Monkey

This month is a catch-22 for you. You have nobleman luck and you can be helpful to others. However, this luck can only be activated when trouble ensues. Hence, you will get into trouble when you receive or give help. Should you be helpful then? Act wisely!

Rooster

A hectic month lies ahead of you in this Rabbit month. It will be easy to lose your temper with so much to do. Reign in your emotions. Your complaints will only reflect badly on you. Know that your hard work will pay off.

Dog

Look forward to a stable month. You have ample time to relax and rejuvenate in this Rabbit month. You may meet new friends too. At work, avoid office politics and be diplomatic when you voice your disagreement.

Pig

Your good luck rests with your friends in this Rabbit month. Socialise with the right friends with positive mindset to bring your luck to a higher level. Pay attention to your health. You are prone to lung illness such as coughs.

Rat

This can be a chaotic month. It is best that you keep quiet and lay low. Let others have the limelight. You may get into trouble if you talk too much.

Ox

Elderly Ox people should pay more attention to their health. Do not worry too much about your children. They will know how to take care of themselves. While this month is generally good for team work, you find that you are unable to get any support. Do what you can, and have faith that everything will fall in place.

Horse

Look forward to another stable month. Your work will be more hectic but everything will work out smoothly. Take this time to learn something new, especially Water Day Masters with a Horse sign in the month pillar.

Goat

You will be a bit absent minded. Take care of important documents and belongings while travelling overseas. Watch your step to avoid falling. When it comes to investments you need to be a little cautious.

Monkey

Rooster

After a hectic month, you can look forward to some good fortune coming your way. Your effort at work will be recognized. There may be an unexpected small bonus that boosts your income too.

Dog

This is going to be a hectic month at work. Maintain a low profile. Be alert while going about your work as you are prone to injuring your leg.
