PREFACE

Benoit Mandelbrot said, “Every nice piece of work needs the right person in the right place at the right time.” Being in the right place is an integral part to achieve success. In Chinese Metaphysics, this is called Earth Luck.

In Feng Shui, Earth Luck represents the external landform and internal layout of your house. You spend at least eight hours every day at home. Thus, the flow and movement of energy within the space of your home will affect you. Making the house a “right place” to live in is important so that your home offers the greatest benefit to all occupants.

The fact about finding a good Feng Shui house to live in has been an essential part of Chinese Metaphysics since the era of the Han Dynasty. The knowledge of Feng Shui has expanded and progressed since then. The art of selecting a good Feng Shui home is known as Yang Feng Shui. It evolves from Yin Feng Shui, the Classic of Burial recorded in Guo Pu's commentary. Yang Feng Shui takes into the consideration of the shape of the landform such as mountains, rivers, plateaus, buildings, and general surroundings to find a house with ideal Qi.

Many techniques of Classical Feng Shui were developed further in the Ming Dynasty, including popular methods often used today, such as San Yuan, San He, Xuan Kong Flying Stars and Eight Mansions (*Ba Zhai* 八宅). These techniques measure the flow and movement of Qi within the space of a property to determine the best internal layout for the occupants.

How do you make certain that your house is indeed the “right place”? A house makes up of 30% Feng Shui influence to its occupants. This 30% comes from having the main door, bedrooms, kitchen, stove and water placement at the right location and in the right direction.

Besides this, Feng Shui has a time factor. There are nine periods in Feng Shui, each lasting 20 years. The Qi in each space of property changes according to each period. We are currently in period 8 and influence by the Qi of Period 8. In another 5 years we will enter into Period 9. How will the Qi of Period 9 influences occupants living in a house built in Period 7?

My goal with this Reference Series eBook is to make it easier for enthusiasts and people with lack of Feng Shui knowledge to find and maximize the Qi of their house. It has been designed as a handy Reference eBook for people to find out and create the “right place” to live in.

It is my wish that this eBook serves as a one-stop guide and reference for all levels of people who want to make the best out of the 30% Feng Shui of their property. The eBook contains recommendation of the best locations for the main door, bedrooms, kitchen, and water placement as well as stove direction for Period 7 House (house built in 1984-2003) to best tap into Period 9 Qi. The recommendation in this eBook is based on my best knowledge, research and experiences of San Yuan Xuan Kong Flying Stars and Eight Mansions.

Keep in mind that these Reference Series are a compilation and organization of Chinese References, my personal knowledge, and experiences. Other Masters may have a different recommendation based on their experience and knowledge. The eBook is a straightforward guide without complex theory and explanation. Thus, it is not meant to teach or instruct.

More importantly, I hope to make it easier for all levels of people to create a good Feng Shui at home.

Best of luck making life beautiful and worth living!

2. GUIDE TO USING THIS REFERENCE EBOOK

Guide to Using This Reference eBook

Step 1: Determine the year your property was built.

How do I determine the year my house was built? If it was built between the year 1984 to 2003, then this eBook is right for you. This eBook helps you to best tap into the energy in the space of your house in Period 9 based on three important factors which are the main door to your house, bedrooms and kitchen.

Some houses were built around the end of 1983 but only available to move in after 4th, February 1984. These houses are considered to be the Period 7.

If you are not sure which Feng Shui Period your house belongs to, check the Table below:

Table 1: Feng Shui 3 Cycles 9 Periods 三元九運

| Cycle 元 | Period 運 | Year 年 | Gua 卦 |
|-------------|----------|-------------|----------|
| 上 Upper | 1 | 1864 - 1883 | ☵ 坎 Kan |
| | 2 | 1884 - 1903 | ☷ 坤 Kun |
| | 3 | 1904 - 1923 | ☳ 震 Zhen |
| 中 Middle | 4 | 1924 - 1943 | ☴ 巽 Xun |
| | 5 | 1944 - 1963 | - |
| | 6 | 1964 - 1983 | ☰ 乾 Qian |
| 下 Lower | 7 | 1984 - 2003 | ☱ 兌 Dui |
| | 8 | 2004 - 2023 | ☶ 艮 Gen |
| | 9 | 2024 - 2043 | ☲ 離 Li |

Step 2: Determine the facing of the property.

A facing of a property is derived from one of the criteria below:

- The area with the most Yang Qi is usually the facing of the property. A good indication of areas that has the Yang Qi is a busy main road, public footpath, flowing river, the side of the property that has the most windows, a playground, a school or a beautiful view.
- Architects always design a building with a façade. Check with the architect where the frontage of the property is located.
- The street sign of the property address.

Step 3: Feng Shui Direction

Once you have determined the facing of the property, stand in front of the facing and look out. Take out the compass and measure the direction.

If the main door is located in the same direction of the facing of the property, stand in front of the main door to take the direction.

Check the degree corresponding to the second column under “Direction” in the table titled, Fengshui Direction, at page 57 to find out the Feng Shui direction of the property.

Step 4: San Yuan Xuan Kong House Chart of your Property

Flip through the page to find the Feng Shui direction of your property. The Facing Direction is shown at the top-left corner of the page. The page contains the San Yuan Xuan Kong Flying Star and Eight Mansions House Chart. Superimpose the chart into your property floor plan according to the direction. The recommendation for the main door, second door, bedrooms and kitchen locations with a brief description is on the next page.

3. DETERMINE AUSPICIOUS AND INAUSPICIOUS DIRECTIONS BASED ON YOUR LIFE GUA

Determine your Auspicious and Inauspicious Directions based on your Life Gua

Based on the Eight Mansions (*Ba Zhai* 八宅) Feng Shui technique, each person will have “Life Gua.” The Life Gua will indicate the four auspicious directions and four inauspicious directions and locations of a person.

| Auspicious Direction | Inauspicious Direction |
|--|---|
| 生氣 <i>Sheng Qi</i> Life Generating | 禍害 <i>Huo Hai</i> Mishaps |
| 天醫 <i>Tian Yi</i> Heavenly Doctor | 五鬼 <i>Wu Gui</i> Five Ghosts |
| 延年 <i>Yan Nian</i> Longevity | 六煞 <i>Liu Sha</i> Six Killings |
| 伏位 <i>Fu Wei</i> Stability | 絕命 <i>Jue Ming</i> Life-Threatening |

Determine your Life Gua Number

1. Refer to the “Life Gua and Year Pillar” Reference Table at page 59 to determine your Life Gua Number.
2. Find your Life Gua Number in the East Group or West Group tables on page 61. The auspicious directions and inauspicious directions are listed in the table.

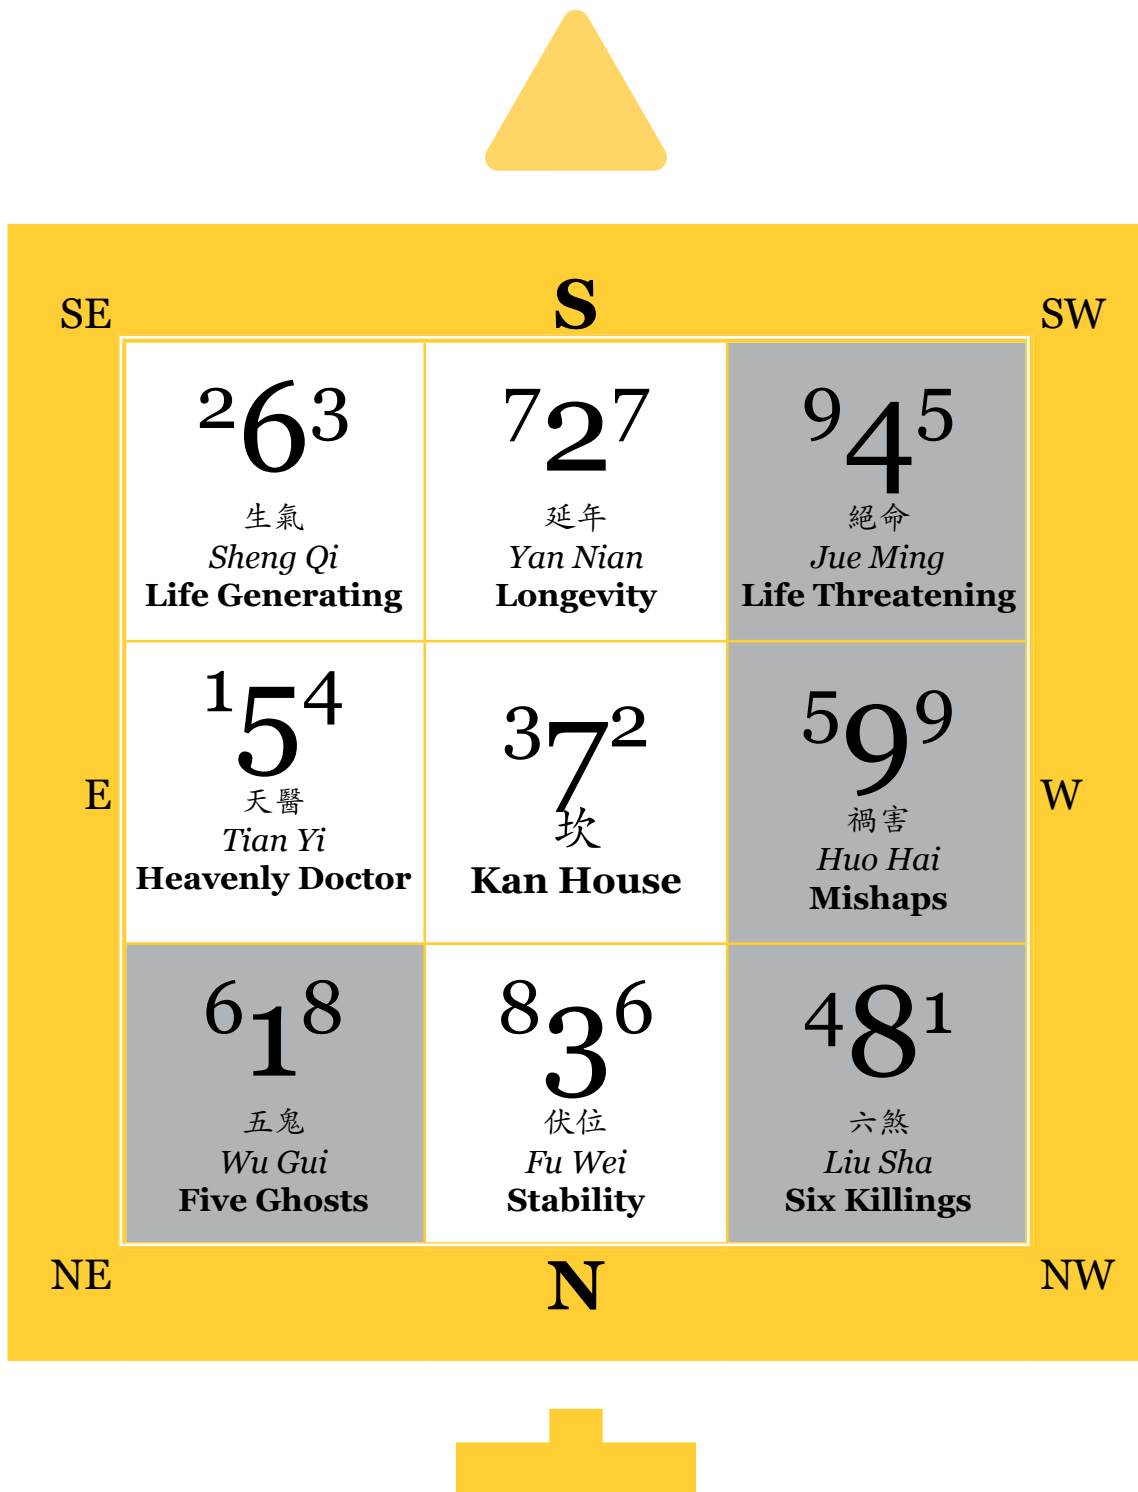

In the description for each house chart, some bedrooms are recommended with auspicious direction for the bed position based on the occupant’s Life Gua. Refer to the East Group or West Group tables to find out the direction.

For example, for House Chart facing S1, the suggestion for the third choice of the bedroom is at Northeast. There is a description stating “Bed position should face occupant’s “Heavenly Doctor” direction.” Check your Life Gua Number on the East Group or West Group tables corresponding to the Heavenly Doctor column to find the direction.
